# Youth Regional Dance Festival

The Youth Regional Dance Festival provides a performance opportunity for pre-professional dancers in a non-competitive environment. The festival features performances from many dance companies in the Philadelphia area including Verve Dance Ensemble, ContempraYouth Dancers, Lederach Dance Company, LeRoux School of Dance, Chester Valley Dance Academy, Nardhana Academy of Dance, Kicks Academy of Dance, Conestoga High School Dance Team, West Chester Dance Works, Do Tap & Do Crew, and Dance One Contemporary Ballet Theatre.

The Festival day is comprised of performances by all of the above youth dance groups, a master class with one of ContempraDance Theatre's professional dancers, and a special performance by critically acclaimed dance company, ContempraDance Theatre.

The Festival is sponsored by ContempraDance Theatre, a professional dance company based in Wayne, PA, as part of their outreach program. As the sponsor, ContempraDance Theatre directs administrative support towards planning the festival and funding the theatre and technical rentals. In years past, ContempraDance Theatre has created new dance works premiered just for the Youth Festival including the multimedia work "Intersect," the popular and fun "TimeDance," and a dance story of a woman's life from childhood through adulthood-"LifesCircle." This year, ContempraDance Theatre will premiere an exciting new dance as well.
